Saharsa, Purnea, Darbhanga & Samastipur

Sub:-

Maintenance of 33/11 KV PSS

Sir,

During course of review meeting it has been regularly observing that maintenance of Power Sub Stations are not being done properly by MRT wing caused frequent failure/damaged of Power Transformers are apparently seen. Further in lack of schedule maintenance regular & un-interrupted power supply to the consumer, even after the allocation & availability of power is adversely affected, Which tend to annoyance in field among consumers and losses to company in term of materials and revenue. Further to maintain 24 hrs of power supply to district/ Commissionery H.Q. town it has become essential to maintain PSS properly to keep it healthy.

In view of facts, as decided, I am directed to inform that MRT wing will keep proper maintenance of each PSS under jurisdiction of Electric Supply Circle, failure of which the concerned authority & Staff will be held responsible.

This is important.

Yours Faithfully
