Electric Supply Divisions.
North Bihar Power Distribution Company Limited .

Sub:- Maintenance of Power Distribution system for regular supply & special precautions during Durga Puja.

Sir,

You are aware that Durga Puja festival is being celebrated from 25.09.14 to 04.10.14.

Hence, you are directed to observe special precautions. Following steps for safe operation of distribution System may be taken.

1. Control Room at Division level must be operational and the number widely circulated. The load allocated should be monitored and controlled.
2. Dilapidated Conductor must be replaced.
3. Guarding in HT & LT line should be maintained properly.
4. L.T Phase separators should be fixed in LT line everywhere in the route of Puja ceremony and at places of crowds. LT lines should be properly sagged and maintained.
5. Burnt DT must be replaced at the earliest.
6. All connections, Bus-Bars, AB switches & Earthing of all DSS must be checked & maintained properly.
7. All VCBs installed in PSS should be checked & properly maintained. The trip circuit must be healthy.
8. Emergency maintenance gang should be deputed at vulnerable locations to take immediate action in case of any eventuality.

9. All contact nos. must be active and ON round the clock so that any emergency message may be passed on quickly.
10. Any other safety measure whatsoever required.

Please note that no Puja Samati should avail power without proper temporary connections. Legal action must be taken as per Electricity Act against the organisers or decorators if found availing power in unauthorised manner.

Please treat it as urgent.

Yours Faithfully

(D. N. Tiwary)
