

North Bihar Power Distribution Company Limited

CIN-U40109BR2012SGC018920

(Commercial Department)

Notification

Notification No...584

Dated...23/10/17

COM/PTWC-103/2015

Subject-Implementation of providing electrical connections up to 150 KVA within seven days where there is no 'Right of Way' (RoW) issue and in fifteen days where there is RoW issue in NBPDC.

Business Reform Action Plan, 2017 is a reform agenda proposed in reference with Ease of Doing Business by Department of Industrial Policy and Promotion (DIPP), Govt. of India. In this there are recommendations to be implemented by Departments/Boards of the State Govt. There is a recommendation which stipulate that charged electrical connections (up to 150 KVA) is provided within Seven days where no 'Right of Way' (ROW) is required and in Fifteen days where ROW is required from concerned agencies.

It has been decided to implement the recommendation in the Company for sake of promotion of Business Reforms .The proposed policy is a part of the process of execution of new electric connection, and it is in the form of timeline taken for charging power supply of applicants' premise once they complete all the works and has deposited all the charges.

Hence, the proposed policy of North Bihar Power Distribution Company Limited is as under:

(1) *In case where the infrastructure is available and there is no 'Right of Way' (RoW) issue and applicant provides the declaration that*

(i) the requisite infrastructural work has been executed and

(ii) the applicant has also deposited all the mandatory fee and charges applicable and has executed agreement

then, new electric connection will be provided within 7(seven) days.

Applicants will be charged Tatkal rate of applicable charges as per tariff order.

(2) *In case where no infrastructure exist for energisation or there is 'Right of Way' (RoW) issue , then new electric connection will be provided within 15(fifteen) days after completion of infrastructure work and resolving RoW issue if any and after the applicant provides the declaration that*

(i) the requisite infrastructural work/Extension of line has been executed and

(ii) the applicant has also deposited all the mandatory fee and charges applicable and has executed agreement.

This has got approval of competent authority.

It is to be implemented with immediate effect.
